I. Pledges

II. Roll Call - Present Mane Connection, Genesee Equestrians, Lakeville Livestock,
Fenton Wranglers

Absent: Equine Excellence, Lone Rangers, Trail Blazers

III. Distribution of email communication with Parks - This was an FYI, please do not put this out on social media, if you have any questions or concerns about this please go to Lori Eastwood. Per Lori the email conversations have a negative tone therefor she will contact Amy McMillian to see where we can go from here.

IV. Discussion of needs of members at shows and goals of clubs - We are not sure if the Cummings Center fits the needs of our members and shows any more, as we have no practice ring, cannot put the dressage ring up where we have in the past, and the cost is high.

V. Cost comparison of show grounds - A chart was given out to compare our grounds to others. If you know of any other places to show please get information by August. We are unsure of what we will do next year some ideas were put out such as going to a different location or using other shows as our high point. Again these are only ideas, nothing has been decided yet. Please bring any ideas with you to our meetings or to your leaders.

VI. Trends of monies and members over the last ten years at GCHLA, vision for the future - Reviewed trends over the last 10 years, we would like to continue having safe, fun and educational shows for our youth.

Motion made to adjourn meeting made by Jaime, second by Kirsten. All in favor.
